Seasonally, on Sunday at 10:00am (Eastern Time) we present Spectrum, our weekly interview Program with a newsmaker, entrepreneur, artist, author or guest with important and interesting topics for and about our audience.

Chinamerica Radio also offers an abundant amount of free Public Service time to non-profit agencies with outreach to our Chinese communities both on our Spectrum program and with scheduled PSA announcements throughout the broadcast day.

Wherever we go, whatever we do, our Chinamerica Radio Sponsors go along with us. Support for us reflects your support for our community.
