

Flying Dragon Package

The magnificent Flying Dragon can soar over towering mountains, cross the deepest oceans, and travel to far distant lands and so can your company message.

Our exclusive Flying Dragon package is our absolutely best resource for maximum exposure over the long-term. It is designed specifically with travel, tourism, consumer products, or companies with a national or international image and footprint. If you are an airline, a hotel group, casino-resort, insurance carrier, financial institution, food product manufacturer or distributor, travel agency, or tourism/trade bureau, then this is the opportunity for you!

Throughout your annual agreement, we offer unlimited copy changes, seasonal promotions, and flexible scheduling. The important thing is that your company name will always be in front of our listeners on our broadcasts and in banners on our website. Your Flying Dragon package includes:

- 8 commercials per day
- 60 seconds each
- 365 Days a year
- Rotating evenly through every day
- 2920 Total commercials annually
- Banner and link on our website
