

## Solid Gold Sundays

Here's your chance to own a piece of Chinese pop-music history. The modern music era of contemporary Chinese pop goes back several decades. So, every Sunday from 10:00am to 10:00pm (Eastern US), we bring out the best in Chinese-pop songs from the 80's and 90s. Now, for the first time ever, we have a unique opportunity for your company's commercial messages will be heard next to those great songs, all day, every Sunday.

It's great music and if you're just catching up to Chinese Pop music, here is a chance to listen to the singers and songs you may have missed.

This is just another reason why Chinamerica Radio is the best source for Chinese Pop music, regardless of whether you like today's new songs or some great musical memories from past years.

Your commercials will run exclusively every Sunday from 10:00am to 10:00pm. In addition, you'll get 20 promotional announcements identifying your sponsorship of "Solid Gold Sunday" during the week:
